

# Center Springs Park

## Center Springs Park Trail

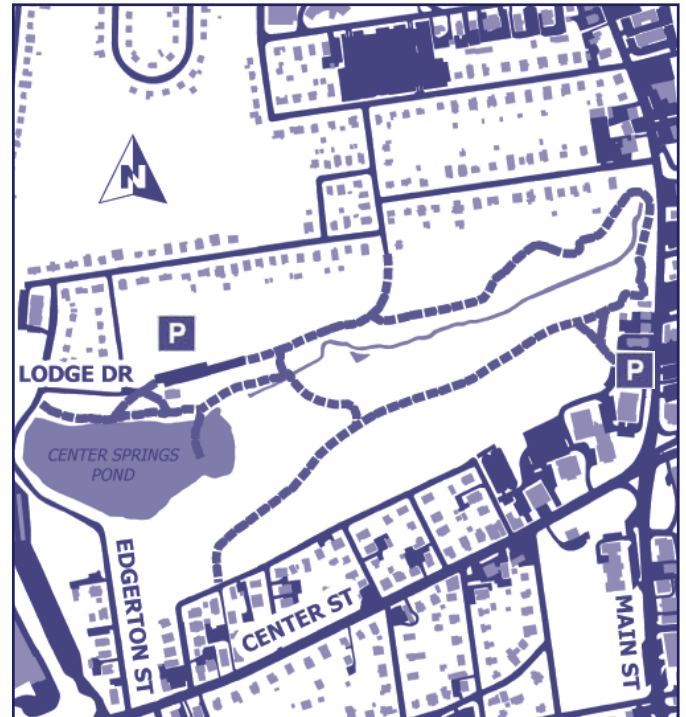

### Trail Highlights

Located off of Edgerton Street, west of the intersection of Main and West Center Street, this trail system cuts through the 55 acre Center Springs Park. It includes a pond and a 160 ft wheelchair accessible fishing pier, pond front and hill top pavilions. The trail system rings the park. Benches are placed along the pathways overlooking the pond.

### Parking and Accessibility

The major access point to this trail system is at Center Springs Park, 39 Lodge Drive in Manchester. This is the site for the Parks and Recreation Department's administrative office. From I-84 traveling east bound, take exit 60, take a right of the ramp onto Route 44 east, continue for about 2.5 miles and take a left onto Edgerton Street (directly across from Dunkin Donuts), follow until your first left onto Lodge Drive and continue straight into Center Springs Park. Some sections are wheelchair accessible (bituminous paths).
